EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Scott Vincent on 05/05/05.

2. The application has been amended as follows:

1. (Currently Amended) A method of operating a tire pressure monitoring system for a vehicle having a plurality of tire locations and a memory comprising:

activating a first initiator signal from a first initiator at a first tire location of the plurality of tire locations;

generating a first sensor signal in response to the first initiator signal, said first sensor signal compositely having a first sensor identification and an initiate status;

receiving the first sensor signal;

confirming the first sensor signal;

storing the first sensor identification in the memory associated with the first tire location of the plurality of tire locations when the first sensor identification is not in the memory; and

repeating the steps of activating, generating, receiving, confirming and storing for each of the plurality of tire locations.

Art Unit: 2632

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
